La Bastille is the preeminent event to **savor and support EDWINS**, a non-profit restaurant and training program. EDWINS provides a fair and equal future to formerly-incarcerated men and women with tuition-free education in the culinary arts and hospitality management.

We'll celebrate storming the Bastille and the fight for equality in true Parisian style with extravagant cuisine, bountiful beverages, fireworks and a parade of entertainment at La Bastille!

Sponsorships will help fund EDWINS' commitment to *liberté ♦ égalité ♦ fraternité* for our students and returning citizens everywhere.

Your tax-deductible sponsorship contribution will give our students:

- Free education and job training
- Books and culinary uniforms
- Job placement assistance
- Healthcare access
- Free housing
- Transportation and childcare help
- A stipend while learning
- Self-empowerment programs and more

## How You Can Help: Sponsor La Bastille!

**ALL proceeds from La Bastille sponsorships directly benefit EDWINS students.**

**What You Get:** A tax-deductible contribution because EDWINS is a 501(c)(3) non-profit organization. EDWINS will also proudly recognize your contribution before and after La Bastille.
